RESEARCH INTERESTS

Language assessment; automated speaking assessment; validity and fairness; responsible AI in education; explainable machine learning; L2 pronunciation; multilingual education and policy; Seal of Biliteracy; quantitative and mixed-methods educational research.

EDUCATION

Ph.D. in Curriculum & Instruction, TESOL Emphasis **September 2023-Present**
University of Kansas *Lawrence, KS*
Coursework completed; advanced to doctoral candidacy in October 2026. Dissertation focus: validity and fairness in automated speaking assessment.

Graduate Certificate in Second Language Studies **May 2026**
University of Kansas

M.A. in Teaching English as a Foreign Language **September 2020-December 2022**
Shahid Beheshti University *Tehran, Iran*
Thesis: Investigating the Effect of Audio-Assisted Reading on Incidental Learning of a Grammatical Structure Among Iranian EFL Learners.

B.A. in English Language & Literature **September 2016-July 2019**
University of Isfahan *Isfahan, Iran*

ACADEMIC APPOINTMENTS

Instructor of Record & Graduate Teaching Assistant **2023-Present**
Department of Curriculum & Teaching, University of Kansas *Lawrence, KS*
Instructor of record for undergraduate and graduate courses in TESOL methods, language assessment, practicum, multilingual learner instruction, and teacher education.

Graduate Research Assistant **May 2025-August 2026**
Center for Educational Opportunity Programs, University of Kansas *Lawrence, KS*
Conducted research synthesis and policy analysis on Seal of Biliteracy implementation, equity, outcomes, and external recognition. Project SELILLA: $2.44 million federally funded project.

English as a Foreign Language (EFL) Instructor **2018-2022**
University of Isfahan *Isfahan, Iran*
Taught general English to undergraduate and graduate students; approximately 250 instructional hours.

English as a Foreign Language (EFL) Instructor **2014-2018**
Kish English Institute *Sabzevar, Iran*

RESEARCH PROJECTS

Dissertation: Validity and Fairness of Automated Speaking Assessment **2026-Present**
University of Kansas
Examines agreement and meaningful disagreement between human audio ratings and transcript-based automated speaking scores in the Cambridge Speak & Improve corpus, with emphasis on decision risk and predictors of discrepancy.

Explainable Machine Learning for L2 Pronunciation **2025-Present**
Develops interpretable MFCC-based models of L1 influence in L2 pronunciation and reproducible workflows for feedback.

Seal of Biliteracy Policy, Equity, and Recognition **2025-Present**
Examines implementation, equitable access, assessment pathways, postsecondary recognition, and real-world value of the Seal of Biliteracy.

English Learner Visibility in Kansas Public Reporting **2026-Present**
Examines district-level English learner result reporting, subgroup visibility, and how cohort size shapes public reporting gaps.

TEACHING EXPERIENCE

University of Kansas, Department of Curriculum & Teaching
Instructor of Record (primary instructor) for seven distinct KU courses across 16 teaching assignments, 2023-2026.

GRADUATE COURSES

C&T 820 Teaching English as a Second Language/Bilingual Education	Fall 2026
C&T 821 Assessment in Teaching English to Speakers of Other Languages (TESOL)	Fall 2024
C&T 825 Advanced Practicum in Teaching English to Speakers of Other Languages (TESOL)	Fall 2025; Spring 2026

UNDERGRADUATE COURSES

C&T 330 Instructional Approaches for ESOL Learners in the Elementary/Early Childhood Classroom	Spring 2024-Fall 2026 (6 terms)
C&T 331 Instructional Approaches for ESOL Learners in the Middle/Secondary Classroom	Spring 2025
C&T 423 Assessing English Language Learners	Summers 2025 & 2026

TEACHER EDUCATION FOUNDATIONS

C&T 235 Cultural Diversity, Equity, and Inclusion in K-12 Schools	Fall 2023 (2 sections); Spring 2024

SELECTED CONFERENCE PRESENTATIONS

Campus Climate Counts: Insights on Institutional Versus Individual Predictors of Academic AI Integrity **April 2026**
American Educational Research Association (AERA) Annual Meeting *Los Angeles, CA*

Machine Learning in the Service of Second Language Learning **October 2025**

RESEARCH METHODS & TECHNICAL SKILLS

- **Quantitative and psychometric methods:** regression and generalized linear models, multivariate and multilevel modeling, item response theory and Rasch-family models (LLTM), scoring agreement and error analysis, cut-score and decision-risk analysis, bootstrap confidence intervals, and predictive modeling and classification.
- **Programming and analysis:** R (tidyverse, ggplot2, R Markdown/Quarto), Python, and IBM SPSS.
- **Computational language research:** automated scoring evaluation, MFCC analysis, explainable machine learning, reproducible workflows, and corpus analysis.
- **Qualitative research:** interview inquiry, thematic analysis, integrative review, and policy and document analysis.

METHODOLOGICAL TRAINING

- **Quantitative:** EPSY 710 Introductory Statistical Analysis; EPSY 905 Fundamentals of Multivariate Modeling; advanced quantitative methods.
- **Qualitative:** C&T 808 Qualitative Research: Curriculum Inquiry.
- **Research design and teaching:** LA&S 720 Introduction to Language Teaching Research; C&T 996 Teaching and Learning in the College Classroom.

ACADEMIC & PROFESSIONAL SERVICE

Graduate Student Advisory Board Member **2025-2026**
School of Education and Human Sciences, University of Kansas *Lawrence, KS*

Head of English Translation Board **2018-2020**
Armenian Ethnography Museum at Vank Cathedral *Isfahan, Iran*
Supervised content for a biweekly English-language magazine.

President, Students Scientific Association, Faculty of Foreign Languages **2017-2018**
University of Isfahan *Isfahan, Iran*
Planned and organized conferences, workshops, and classes, including national and international events.
